

# The Bears Autumn

by Keizaburo Tejima

It's autumn. There are two bears. The bears are really hungry because they will sleep all winter. The little bear can climb a tree higher than the mother bear. There are limited roads and vehicles located in this village, but a vehicle is important for travel and photography of the polar bears. We will have the only rental 0673805476 - The Bears Autumn Celebrate Reading by Keizaburo .
