

Occupational And Environmental Chemical Hazards: Cellular And Biochemical Indices For Monitoring Toxicity

by Vito Foa; International Union of Pure and Applied Chemistry

Environmental monitoring and assessment program: ecological indicators - Google Books Result 7. Biological Markers in Studies of Hazardous-Waste Sites Cellular and Biochemical Indices for Monitoring Toxicity Early detection of hazardous exposures of humans or an ecosystem may significantly reduce . presence of those chemicals in the general environment and/or occupational settings. Classes of toxic effects in humans and non-human targets with indices Most current methods do not allow the measurement of target cell. Use of Biomarkers in Assessing Health and Environmental Impacts of . - Google Books Result Title: Occupational and Environmental Chemical Hazards Cellular and Biochemical Indices for Monitoring Toxicity Author: Foa, Vito (EDT) . occupational and environmental chemical hazards cellular and . Biological Monitoring of Exposure and the Response at the . - Google Books Result
